

Chamisa Dynasty Media Moguls

COMPANY PROFILE

Our vision is to redefine the digital marketing and social media industries through innovation, technology and simplicity. Making it easier, more affordable and convenient for businesses to generate their own traffic, leads and sales.

OUR VISION

Our mission is to develop custom strategies, software and platforms in order to effectively market your business, regardless of its niche or industry. We plan to make every process simple, easy to understand and fully controllable by you.

OUR MISSION

Our purpose is to eliminate the hassle of marketing, generating leads and sales. We aim to simplify it and reduce the amount of effort and time spent on every businesses part. Our mantra is “you run your business, we bring the business”.

OUR PURPOSE

To all businesses and brands alike, CDMM promises to simplify the marketing and traffic generation process, generate more leads and traffic, while saving you money by implementing proven strategies in half the time of other agencies.

POSITIONING STATEMENT

Chamisa Dynasty Media Moguls (pty) Ltd was founded in 2016, but only became a reality and a legally registered business in 2018. Founded by Tanaka Chamisa, CDMM as it's referred to, is a Digital Marketing & Online Presence Agency.

We're not just an advertising agency, we don't merely see you as a "client". We build relationships in order to better understand your vision; your dream. The goal is to treat your brand and business like your baby; nurture it and help it grow by reaching its full potential.

We understand that you're too busy to focus on getting clients, generating sales and traffic and that It takes too long to do it effectively. That's where we come in. We promise to eliminate the hassle, and free up a chunk of your time allowing you to focus on effectively running your business. The working relationship between your business and brand and us, is bound to be fruitful!

ABOUT US

We offer a host of services to grow your business, convert viewers to customers, increase your traffic and generate leads. For a more in-depth description of our service offering and how we can help you, visit our website.
